--:--

The licensee reports that an A.C. set broke down on 31-12-1949 owing to development of crack in the cylinder head. Hence supply to the town was not regular for some time; but it has since been restored and restrictions removed from 9-2-1950.

2. With reference to the M.L.C's suggestion that A.C. connections within the hours may be given to those applicants who purchase A.C. meters at their own cost, the procedure for conversion from D.C. to A.C. system has been laid down in G.O.Ms.No.1929 P.W.D. dated 3-7-1947 and the licensee has been advised to comply with the provisions therein in the matter of change over to A.C. system.

Yours faithfully,

Karantha

The Chief Electrical Inspector may be asked to look into this for suitable action".

M.B./21.1.50.

In January 1950. Sri B. Rama Rao, M.L.C., has requested that necessary instructions may be issued to the Bellary Municipal Elect. Undertaking to give A.C. connection within 24 hours to those who purchase A.C. meters at their own cost and make an application to the Municipality & furnish the connection. The C.E.D.S. has reported that there was breakdown of an A.C. set from 31.12.49 to 9.2.50. As regards the above suggestion he has stated that necessary instructions have been issued to the Bellary licensee to comply with the procedure for conversion from D.C. to A.C. laid down in G.O. Ms. No. 1929, P.W. dated 3.7.47. It may be mentioned in this connection that the C.E.(N.) has since been requested to take over immediately the Bellary Municipal Elect: Undertaking pending approval of the revocation order and the conveyance deed & he has also been asked to take over provisionally the Municipal Elect. Undertaking. A draft letter to Sri Bhimia Rao M.L.C based on the remarks of the C.E.D.S. and the latest position is submitted.

Issued as memo no 338 P/50-2 dt 22.5.50
from the CO E(N) no 1306-C/51-1 dt 10.4.51

In his letter dated 21-1-1950 Sri Ba Bhima Rao, M.L.C., has requested that necessary instructions may be issued to the Bellary Municipal Electrical undertaking to give A.C. Connection within 24 hours to those who purchase A.C.meters at their own cost and make an application to the Municipality to furnish the connection. The C.E.I.G. reported in May 1950 that there was break down of an A.C.set from 31-12-49 to 9-2-50. As regards the above suggestion he stated that necessary instructions had been issued to the licensee to comply with the procedure for conversion from D.C. to A.C. system as laid down in G.O.Ms.No.1929 P.W. dated 3-7-47.

2. The C.O.E.(N), who was consulted in the matter, has now reported that the suggestion of Sri Bhima Rao that more A.C.services may be given in the Bellary area was made in January 1950 when the undertaking was yet to be taken over by Govt., He stated that the Bellary Municipal Electrical undertaking was taken over by Govt. on 10-5-50 and that all the services in the area have since been converted to A.C. In the circumstances no further action is necessary in the matter. A suitable reply may be sent to the M.L.C., if considered necessary. A draft letter is submitted. With reference to his minutes at 'A' on p.1 c.f. the case may perhaps be circulated to H.M.(P.W.) for information.
